

Welcome to Summit Seekers

Level 4: On Fire for God

We're so excited for our upcoming, final hike season with you. Here is all the information you will need for the season ahead.

 **Group Dashboard Page:** You will find all our season info and weekly updates on your group's dashboard page. This is where you'll find a [downloadable season schedule](#), [upcoming session info](#), [photos](#) from our hikes, [group roster](#) and [our weekly handwritten letter](#) to each of the boys. *Please bookmark your dashboard page and make sure your son sees his letters!*

 **Drop-off/Pick-up:** Our bus stop is outside of the Ninja Coalition near Sprouts on Hilltop Drive in central Redding. We will always be there 10 minutes before drop-off. We strive to be on time to and from hike locations, and we ask that you please be on time for drop-off and pick-up too!

 **Being On Time:** THE BUS LEAVES ON TIME! We ask that hikers please arrive a few minutes before drop off. Timing plays a really big part in our program since we can't start until everyone is present, and we are hiking to a destination spot and back and have a certain time frame to do that.

 **Hike Locations:** The schedule on your group dashboard page has clickable Google Map links so you know exactly where we are heading each week, or in case of emergencies. 

 **Hiking Gear:** The boys will always need to bring a backpack with water and a snack/lunch. We ask that they wear [athletic shoes](#) (no crocs or sandals for hiking). On hikes where swimming

is involved, the boys will need to hike in swim shorts and bring a towel as well. *We will always communicate via email before a hike and post all relevant information on the group dashboard.*

 **Hike Contact Info:** Your contact for each hike is David Geus: 530-691-0125. This number rings his cell phone as well as our main academy line where you can reach our team with questions any time.

 **Weekly Email Update:** You will hear from us 1X a week via email a few days after your hike. This email will include the link to your group's dashboard page with an update that 'last session's photos & notes are posted' and 'upcoming session details are available'. Everything you need to know will be on the group dashboard.

 **Handwritten Note to the Boys:** Our leaders take the time to pray for each of our hikers and write them a personal note EACH WEEK that we digitize and post on the group dashboard page. ***We believe these notes help bring about the transformation parents talk about from our program because they are personal, powerful and filled with encouragement. Please make it a priority to show your son his note each week.***

 **Attendance:** We expect you to attend all, if not at least 8, of our sessions. Participants who miss more than 3 sessions will not be invited to move onto the following level of programming. *We take attendance and group dynamics very seriously. Each session is unique and learning is cumulative. We are committed to seeing your son receive the breakthrough you've invested in and ask that parents prioritize our weekly sessions for maximum impact in your son's life and in your family.*

 **End of Season Certificates:** Our final session ends with a small awards ceremony where the boys will be given a certificate for completing the season along with some very special words dedicated to each of them. This will happen at the end of our final session at the parking lot by the bus stop. Please mark your calendars and be sure not to miss this final session!

 **What happens after Summit Seekers is over?** All participants who have completed Level 4 of Summit Seekers are invited back to any and all program offerings we may develop in the future! You are always welcome back to our camping trips, backpacking excursions, and drop-in adventures.

We are so thankful you've committed to us for this long! It's an honor to get to know your son and pour into him season after season. We can't thank you enough for being part of our program! Let us know if you have any questions. 😊

“

David's care for my son is so genuine and personal.

- Kate, BCS Parent

“

This is so much more fun than an average hike!

- Noah, 6th grader

“

Mom, I feel so powerful when I'm with the group, like I can actually be myself.
